

CHATEAU·QVINTVS

2025

2025, A FUSION OF SUN AND TERROIR,
A CONNECTION BETWEEN AN ENDLESS LEARNING PROCESS
AND AN OBVIOUS CHOICE FOR BLENDING.
GUIDED BY TASTE AND SHAPED BY BOTH LONG-TERM EXPERIENCE
AND DAILY WORK IN THE FIELD,
THIS VINTAGE IS EMERGING AS THE NEW REFERENCE AT QUINTUS.

THE YEAR, IN BRIEF

A sun-filled year that delivered dense, fresh and intense fruit. In a vintage shaped by heat, our collective expertise adapted throughout the season. A deep understanding of our land and its vines, resilient thanks to the care they received, enabled us to harvest small grapes that bore tremendous potential.

HARVEST DATES — from September 8th to 22nd

CHATEAU QUINTUS

2025

CHÂTEAU QUINTUS

A deep, gleaming purple colour. Absolutely charming, the nose reveals a powerful aroma of black-currant, along with spicy notes. The first taste shows tremendous fineness, full of generosity. The wine develops, broad and tactile, covering the palate with its fruity, fresh concentration. The mineral structure, so characteristic of Saint-Émilion's great terroirs, is revealed and brings us to an exquisite, almost saline, finish. What balance, what depth and what freshness all the way through the tasting of this wine! This Quintus is an accomplished, impressive wine, in which the terroir is indisputably enhanced by the skill of the blend.

Blend

73.2% Merlot, 26.8% Cabernet Franc

Alcohol by volume

14° (provisional)

CHATEAU·QVINTVS

2025

LE DRAGON DE QUINTUS

The colour of this Dragon is a deep, intense red. The nose opens with floral notes of Cabernet, with hints of peony. Crushed red fruits from the Merlot complete this fresh, lively first impression, enhanced by a light touch of oak. The attack on the palate is refined, full of freshness and smoothness. The mid-palate is persistent, and the wine stretches out on the finish, structured by a very fine balance of ripeness and tannins that have already integrated elegantly. This Dragon de Quintus is a great success for the estate, and its flame will not fade any time soon.

Blend

74.8% Merlot, 25.2% Cabernet Franc

Alcohol by volume

13.85° (provisional)
